Animals whose shots are not up to date must be vaccinated by Alameda East Veterinary Hospital prior to admittance and at the owner's expense or they will not be allowed to board. Disclaimers & Additional Provisions Relating to Group Play, Boarding, Day Care and Grooming

Animal Lodge is happy to offer the opportunity for your dog to be boarded here, use the swimming facilities, and participate in group play and daycare. Animal Lodge offers both an indoor and outdoor play area and all dogs will be under supervision by one of our highly trained staff. Group play is an important part of a dog's ability to socialize and obtain exercise to maintain a healthy heart and weight. In order for us to be able to offer these valuable services, we have developed the following set of provisions and disclaimers, which you must carefully read and agree to before allowing your pet to participate in group play, swimming or placing your dog in daycare or boarding at Animal Lodge.

(1) Group play is for happy, healthy dogs that are neutered or spayed. Play group is not recommended for dogs that have medical conditions such as diabetes, seizures, heart murmurs or any other medical condition that may be aggravated by excitement or rough play. Animal Lodge assumes no responsibility for the aggravation of any medical disorders caused by your dog's participation in group play, and owner agrees that in such event, the provisions of section (3), below, shall not apply.

(2) Group play is also not for dogs that have temperament problems such as aggression or extreme shyness with either dogs or people. If your dog is found to exhibit any of these behaviors they will be removed from the playgroup and you will receive a note with an explanation as to why your dog was removed. Animal Lodge has a **no tolerance** policy. The daily fee will not be refunded for this day of daycare.

(3) Standard precautions will be used against the injury, escape, or death of this pet. The clinic and staff will not be held responsible for injuries that occur, provided standard care and precautions have been followed as determined at the sole discretion of Animal Lodge. It is expressly agreed by Owner and Animal Lodge that Animal Lodge's liability shall in no event exceed the lesser of the current chattel value of a pet of the same species or the sum of \$200.00 (Two Hundred Dollars) per animal boarded. In no event shall Animal Lodge or Alameda East Veterinary Hospital be liable for illnesses that arise during Owner's pet's stay or after Owner's pet has left the facility.

(4) Owner understands and agrees that inherent risks are being taken by Owner should they elect to allow their pet access to the swimming facilities. These risks include, but are not limited to, dermatologic issues, injury from slipping, death by drowning, and injuries or illnesses caused by interaction with other animals and humans. Owner agrees that any injury or illness of their pets incurred during their pet's use of the swimming facilities shall not bring about any liability of any type on the part of Animal Lodge, and the provisions of section (3) above, shall not apply in the event of any injury or illness which occurs to owner's pet(s) during the pet's use of the swimming facilities.

(5) All charges incurred by the Owner under this agreement shall be due and payable in full upon pick up of the pet. Owner agrees that the pet shall not leave Animal Lodge until such time as all charges incurred by the Owner have been paid in full to Animal Lodge. In addition, Animal Lodge is hereby granted by Owner a lien on the pet for any and all unpaid charges resulting from boarding pet at Animal Lodge. (6) This contract is subject to the provisions of C.R.S. 12-64-115 (Abandonment of Animals), which reads:
